

1700 WALNUT

1700 East Walnut Avenue
El Segundo ♦ California

Located off Sepulveda Boulevard in El Segundo, this six-story 118,000 square foot Class A office building offers excellent access to Los Angeles International Airport and both the Century (I-105) and San Diego Freeways (I-405). The efficient 20,000 square foot floor-plates offer functional layouts and excellent views to both large and small office users while offering unparalleled ground and air access to and from one of Southern California's premier sub-markets.
