

INFONET

BUILD TO SUIT

2160 East Grand Avenue ♦ El Segundo, California

156,704 square foot corporate headquarters

Infonet Services Corporation new global headquarters building is located at the Southwest corner of Grand Avenue and Nash Street in El Segundo. The Property is a 156,704 square foot office build-to-suit on 6.5 acres. This three story, braced frame building combines a flexirock ribbonwall and a glass curtain wall exterior.

Unique construction characteristics include methane gas protection, raised floor air, power, and data plenum throughout the building, movable walls and furniture, a data center, seismic upgrades, a full service kitchen, FM200 fire suppression, and redundant systems such as dual communications feeds, batteries, and a diesel generator.
